INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case File

FROM: Quang D. Nguyen, Staff Attorney

DATE: August 20, 2014

RE: Case No. 2014-00139
Application of Cumberland Valley Electric, Inc. for Approval of a Prepay Metering Tariff

On August 13, 2014, a teleconference was conducted between Staff Counsel and Robert Tolliver of Cumberland Valley Electric, Inc. ("Cumberland Valley"). The purpose of the teleconference was to determine whether Cumberland Valley is also seeking a deviation from the requirements of 807 KAR 5:006, Section 7. According to its application and testimony, Cumberland Valley's proposed Prepay program is designed almost identical to certain Commission-approved prepay programs offered by other distribution cooperatives in the East Kentucky Power Cooperative, Inc.'s system. Those other prepay programs requested a deviation from 807 KAR 5:006, Section 7 but Cumberland Valley's application did not seek such a deviation. 807 KAR 5:006, Section 7 requires that certain information be shown on a bill. After a discussion on this issue, Mr. Tolliver indicated that Cumberland Valley would seek a deviation from the requirements of 807 KAR 5:006, Section 7 because some of the information required to be posted on the bill, i.e., the date after which a penalty may be applied to the gross amount, would not be applicable for a Prepay program participant. There being no further discussions, the conference was adjourned.
